TAILGATING GUIDE (FOOTBALL)

Tailgating is a cherished tradition and an important part of the game day experience at Oklahoma State University. We are committed to promoting a safe environment and the best possible game day experience for everyone who visits Boone Pickens Stadium, OSU and Stillwater.

In order to ensure a safe and family friendly atmosphere tailgating is limited to designated areas on campus. Please view Oklahoma State University's tailgating map (see map) to view public available, non-university entities (general public - Tailgate Guys), university entities reserved and prohibited areas for tailgating.

In addition, all fans on OSU property are prohibited from the following actions/activities:

- Behavior that is unruly, disruptive or illegal in nature.
- Foul and/or abusive language, obscene gestures and/or loud noise that interferes with the experience of other fans.
- Possession of prohibited items (list of items).
- Verbal and/or physical harassment of anyone, including visiting team fans.
- Failure to follow instructions from authorized OSU officials and/or law enforcement personnel.
- Intoxication of any kind, underage possession/consumption of alcohol, drinking games and/or any illegal activity involving alcohol including but not limited to:

- Legal drinking age is 21; no one under the age of 21 may consume or possess any form of alcohol.
- It is illegal to furnish alcohol to anyone under the age of 21.
- Allowing underage drinking at your tailgate is illegal under Oklahoma's Social Host Law.
- It is illegal to be intoxicated in public.
- It is illegal to serve alcohol to a person you know or have reason to believe is intoxicated.
- It is illegal to sell or serve alcohol without a license or beer without a permit. This includes service in exchange for tips and donations.
- Federal Law prohibits the use, possession or cultivation of marijuana for any reason on the OSU campus and also prohibits the use and distribution of marijuana for any reason at events authorized or supervised by OSU. Even with the evolving state law permitting marijuana for medical reasons, consuming, smoking or possessing marijuana, even with a card or prescription permitting medical marijuana use is illegal on the OSU campus.

Failure to comply with these rules and policies could lead to loss of tailgating privileges and possible law enforcement action. Oklahoma State University reserves the right to refuse service to anyone at any time. Inappropriate behavior may result in the permanent loss of all parking and tailgating privileges and the use of university property, assets and services. Oklahoma State University is not responsible or liable for accidents, damage, loss or theft of materials/ items/personal property on university property.

In case of emergency, call 911. For non-emergencies, call University Police at 405-744-6524.

The following Tailgates Rules apply to Oklahoma State Football:

1. **The setting up of tents, tent frames, awnings, chairs, ropes and other plat markers or similar equipment may commence at NOON ON FRIDAYS before Saturday games.** For non-Saturday games, you may set up the night before at 5:00 p.m. Tailgate areas are first-come, first-serve (unless designated otherwise). If a location is claimed, please be respectful of our tailgate community and do not move markers or remove items from a claimed location.
2. **Tailgating on campus and parking in POSSE parking lots is permitted starting at 8:00 a.m. for Saturday games regardless of kickoff time. Tailgate setup on campus grass areas may start before 8:00 a.m. In the event of a weekday game, tailgating and POSSE parking lot open times will be communicated in advance of the game through various OSU Athletics social media platforms (Facebook & Twitter) and email to football ticket holders.**
3. **All tailgating activities on university property must end and items associated with a tailgate must be taken down and removed by the latter of 10:00 P.M. OR TWO HOURS FOLLOWING CONCLUSION OF THE GAME. This includes parking lots and campus grass areas. Property remaining after the times listed above will be considered abandoned.**
4. Any such items that are set up outside of this timeframe (listed in #1 & #3), or on sidewalks or that collapse or are blown off their sites will be removed by university personnel. Tailgate tent frames, chairs and other items must not be placed on sidewalks at anytime. Items found in violation will be removed by the University. You may inquire about lost or unclaimed items by calling 405-744-2844.

5. Tailgating activities that take up vacant POSSE parking / general game day parking spaces are prohibited, unless a parking permit for each parking space it occupies is displayed and has been checked in with lot attendant. For safety purposes, vehicles, trailers and tailgating items cannot block driving lanes. In order to protect parking lot surfaces, tents, awnings, and similar items requiring ground stakes are prohibited.
6. Tents including and up to sizes of 10'x10' and 20'x20' are acceptable on campus. Tents, awnings, and similar equipment must be securely anchored. To avoid damaging underground irrigation systems and other utilities, ballasted weights with sandbags, water jugs, concreted buckets, etc. are strongly encouraged.

OSU's updated Excavation Permit Procedure as guided by the Oklahoma Underground Facilities Damage Prevention Act effects use of large (10'X20' or larger) tents.

Larger commercial-type tents that cannot be properly ballasted are discouraged from being used. In the case where larger tents must be staked and ballasts are not an option, an OKIE811 (Oklahoma One-Call System) locate request is to be made no more than 10 days in advance and not less than 48 hours before the date of the event by calling 811 or visiting OKIE811.org. A separate OKIE request must be made for each tent setup. Authorized locators will paint colored lines designating utilities and stakes must not be placed within 2 feet either side of the located utility. The OKIE811 excavation permit must be available and visibly posted at the large tent tailgate during the length of time the tent is in place.

Failure to follow these guidelines will result in the tent being taken down at a cost to the tailgater and jeopardizing any future tailgating opportunities. Any damage to utilities as a result of not following this policy will also be the responsibility of the tailgater.

The full excavation permit guidelines can be found at <http://utilities.okstate.edu/excavation-procedure>

7. **NO VEHICLES ARE PERMITTED TO DRIVE ON CAMPUS GRASS AREAS AND OR SIDEWALKS AT ANY TIME. Trailers and cooking trailers are encouraged to be placed in the designated area north of the Engineering Building and northeast of the Noble Research Center.** Fans will also have the opportunity to purchase and reserve trailer and cooking trailers tailgate locations north of the Sherman Smith Training Center (for information on how to reserve, visit okstate.com/TailgateGuys). **TRAILERS AND COOKING TRAILERS ON CAMPUS GRASS AREAS DESIGNATED FOR TAILGATING MUST BE MANUALLY PLACED – NO EXCEPTIONS.** Trailers and cooking trailers that are too heavy for manual placement on campus grass areas must park in a parking lot (POSSE parking pass required for spaces the trailer takes up) or in the designated grass area at the northwest corner of McElroy Road and Duck Street intersection. The campus grounds have continued to experience significant damage from vehicles, trailers and cooking trailers over the last few years with ruts, broken irrigation heads, and damage to trees. Cooking trailers or grills are not allowed under trees. The heat from the grilling has scalded and killed several trees on campus. Please help us preserve our urban campus forest by not cooking under tree canopies and use extreme caution to not break, prune or damage trees.

8. Tailgates that involve or include any of the components or activities listed below will require registration with the university and also the displaying of an associated tailgate registration tag. Registration of a tailgate does not mean the tailgate location is reserved. The registration process is in place to allow the university to identify a tailgate host to facilitate communication or coordination between the tailgating community, university departments and the university's tailgate facilitation team. It is important to note that the types of tailgates described below are welcome and allowed.
