

The UNIVERSITY of OKLAHOMA | GAME DAY TAILGATING POLICIES

Adopted August 2007 | Updated August 2021

*Tailgating on football game days is a wonderful and long-standing tradition at The University of Oklahoma. The University's tailgating policy is designed to ensure the comfort and enjoyment of game day patrons, the safety, security, and well-being of all people associated with game day activities and the safeguarding and preservation of all public property under the management of the University. **The university strongly encourages wearing a face mask while inside university buildings and athletic facilities.** The U.S. Department of Transportation requires individuals to wear face masks while on buses/shuttles – NO TOLERANCE. Visit <https://www.ou.edu/together> for more information.*

- The setting up of tents, awnings, and similar equipment may commence at noon on the day immediately preceding the game, most typically on Friday for a Saturday game. **Space may be occupied between 8:00 am and noon, but stakes may NOT go into the ground until noon. Space may NOT be occupied or reserved before 8:00 am.** All items must be taken down and removed by noon on the day immediately following the game, typically Sunday. Abandoned tents may be at risk of damage or theft.
- Any such items that are set up outside of this timeframe or that collapse or are blown off their sites will be removed by the university. The University Operations Office, (405) 325-0727, may be contacted for information about how items may be recovered. Items not claimed within a reasonable time may be disposed of by the University at its discretion.
